**Bewitched and BEDazzled B & B** is located in the heart of Rehoboth Beach. The two buildings are joined by a common deck complete with a hot tub and sitting area. Innkeeper Inez Conover has designed Bewitched after the TV show of the 70’s that celebrated diversity, and BEDazzled is designed around the golden age of Hollywood. The beach, the boardwalk, downtown shopping, art galleries and restaurants are only 1 block away.
